

# LITMOS HEROES

Saving the world *from* boring learning

Release Notes  
2018-March-9

# Table of Contents

<b>Personal Development</b>	<b>3</b>
<b>Cyber Security</b>	<b>4</b>

# Personal Development

Code	Title	Duration	Region
LH10018	NLP – Unconscious Eye Movement	10 minutes	Global

***Description:***

Neuro Linguistic Programming (NLP) is the link between your thought processes, language and body. One of the ways that manifests itself, according to NLP, is unconscious eye movements, relative to how your brain is processing information. This ten-minute course provides you with key knowledge you can use in your daily and work situations.

# Cyber Security

Code	Title	Duration	Region
LH04002	Ransomware and Cybercrime	10 minutes	Global

**Description:**

Ransomware is a type of cybercrime that can affect anyone using a computer or mobile device. Cybercrime is widespread, and we want you to understand how to protect yourself from it. Without the right protection and preventative measures, Ransomware can prey on you and your data. This ten-minute course provides you with tips to protect your data and your customer's data.

#### **About Litmos Heroes**

Backed by CallidusCloud (NASDAQ: CALD), Litmos is the world's fastest growing enterprise learning solution. It unifies learning management, the extended enterprise, and prepackaged content in an innovative platform to meet any organization's internal and external training needs. Built to help learning organizations achieve success, Litmos is highly secure, focuses on the end user, and provides time to value three times faster than traditional learning solutions. Over 4 million users in more than 130 countries and 22 languages use Litmos to optimize their learning and development, improve performance, and monetize training.
