Overview:

These online courses meet the federal standards for HIPAA compliance training required by law. Since 2002, we have delivered accurate, role-based—yet simple to follow—courses that pass the test of auditors every time.

Key differences this year:

- Mobile-responsive format
- All-new engaging graphics and interactions
- Regulations reviewed, as well as terminology, by subject matter expert / lawyer focused on healthcare compliance law

Course Length:

Each course is approximately 15-45 minutes in length.

About BridgeFront by Litmos

Backed by CallidusCloud (NASDAQ: CALD), Litmos is the world's fastest growing enterprise learning solution. It unifies learning management, the extended enterprise, and prepackaged content in an innovative platform to meet any organization's internal and external training needs. Built to help learning organizations achieve success, Litmos is highly secure, focuses on the end user, and provides time to value three times faster than traditional learning solutions. Over 4 million users in more than 130 countries and 22 languages use Litmos to optimize their learning and development, improve performance, and monetize training.
