60 Second Skills

Code	Title	Duration	Region
LH03018	Health and Wellbeing - Avoiding Burning Out	1 minute	Global
LH03019	Health and Wellbeing - Importance of Sleep	1 minute	Global
LH03013	Health and Wellbeing - Positive Thinking	1 minute	Global
LH03014	First Aid - Bleeding	1 minute	Global

Description:

Before you reach for that can of soda, take 60 seconds and learn some skills that will make you a better version of yourself. Whether it's self-care or caring for someone else, these 60 second courses fit the bill, helping you improve your life or the life of someone in need.

Policy and Compliance

Code	Title	Duration	Region
LH40030	Challenge 25 (UK/EU)	10 minutes	EU/UK

Description:

Do you work in the food industry and serve alcohol? Then you already know it can be confusing knowing acceptable forms of identification and what age you're supposed to be checking. And that's before the potential minefield of having to estimate how old someone looks. Don't stress! This quick, Challenge 25 course is here to take some of the pressure off. While this course can't look at customers for you, it'll give you key information you need to do this important part of your job effectively.

Cyber Security

Code	Title	Duration	Region
LH04004	Ransomware Prevention - Preventing Attacks and Contingency	15 minutes	Global

Description:

Ransomware attacks can be a terrifying thing to happen to anyone with personal data, or any businesses with customer data. No need to worry! Learn how to take action and stop attacks. This 15-minute course is all about prevention, giving you great tips and steps to create a contingency plan.

About Litmos Heroes

Backed by CallidusCloud (NASDAQ: CALD), Litmos is the world's fastest growing enterprise learning solution. It unifies learning management, the extended enterprise, and prepackaged content in an innovative platform to meet any organization's internal and external training needs. Built to help learning organizations achieve success, Litmos is highly secure, focuses on the end user, and provides time to value three times faster than traditional learning solutions. Over 4 million users in more than 130 countries and 22 languages use Litmos to optimize their learning and development, improve performance, and monetize training.
