## Healthcare Fraud, Waste and Abuse v7

*Reference Code:*

BF10040

*Overview:*

This course has been updated to reflect current rules and regulations set forth by the Centers of Medicare and Medicaid (CMS). This course incorporates the required elements from the two CMS Part C and D plans courses-Medicare Parts C and D General Compliance Training and Fraud and Abuse: Prevention, Detection and Reporting and Combating Medicare Parts C and D Fraud, Waste and Abuse. The content discusses the federal law and different sets of federal regulations regarding healthcare fraud, waste and abuse, as well as the penalties associated with violations.

*Key differences this year:*

- All new graphics and mobile-friendly design
- Reviewed regulations and terminology by SME / lawyer focused on healthcare compliance law

*Course Length:*

20 minutes

## Annual Healthcare Compliance Refresher v2

*Reference Code:*  
BF10051

*Overview:*

This course provides current information related to an effective compliance program for clinicians, their employees and contractors. After completing the course, you will understand the components of the compliance program related to: fraud and abuse, proper billing of services for Medicare and Medicaid beneficiaries, patient privacy and security - HIPAA and Occupational and Safety Health Administration, otherwise known as OSHA, as well as the basics of major health care laws.

*Key differences this year:*

- All new graphics and mobile-friendly design
- Reviewed regulations and terminology by SME / lawyer focused on healthcare compliance law

*Course Length:*  
30 minutes

## Attestation: CMS' FWA and Compliance Training v2
