## Compliance Program Overview for Health Plans Participating in Medicare Advantage v2

*Reference Code:*

BF10046

*Overview:*

This course has been updated and will help you understand the risk factors for violence, it will teach you about your responsibilities in those situations, and outline the steps that can be taken to control violence in health care settings.

*Key differences this year:*

- All new graphics and mobile-friendly design
- Reviewed regulations and terminology by SME / lawyer focused on healthcare compliance law

*Course Length:*

20 minutes

## Introduction to Medicare Advantage Plans for Health Plans v2

*Reference Code:*

BF BF10047

*Overview:*

This course introduces Medicare Advantage Plans, otherwise known as Medicare Part C Plans. A Medicare Advantage Plan combines Medicare Part A and B coverage into one plan, and many Medicare Advantage Plans offer prescription drug coverage.

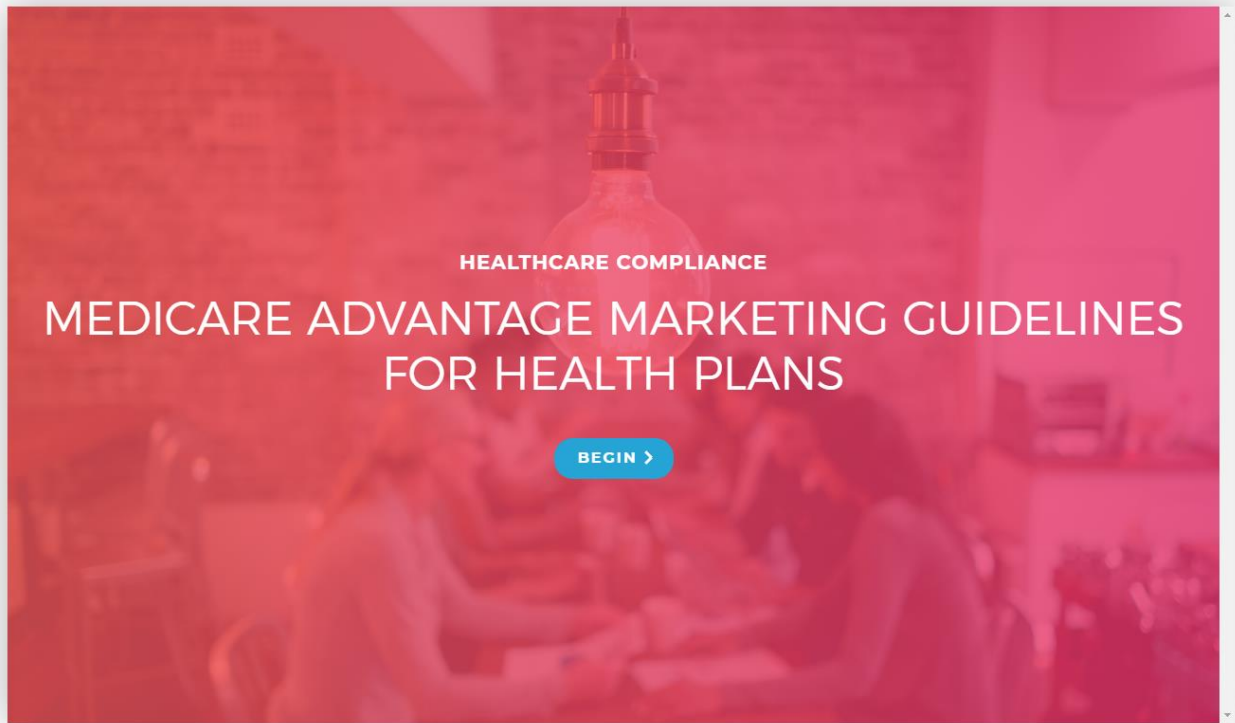

*Key differences this year:*

- All new graphics and mobile-friendly design
- Reviewed regulations and terminology by SME / lawyer focused on healthcare compliance law

*Course Length:*

20 minutes

## Medicare Advantage Marketing Guidelines for Health Plans v2

*Reference Code:*

BF10048

*Overview:*

This course will introduce you to a brief overview of the requirements for Medicare Advantage marketing guidelines set up by CMS. At the end of this course, you will know what education is required for your agents, and understand the guidelines to follow when using marketing materials, what criteria needs to be followed when holding seminars and public events, and the criteria needed when conducting sales appointments.

*Key differences this year:*

- All new graphics and mobile-friendly design
- Reviewed regulations and terminology by SME / lawyer focused on healthcare compliance law

*Course Length:*

20 minutes

## Compliance Training for Health Plan Board Members v2

*Reference Code:*

BF10049

*Overview:*

This course will discuss the unique fiduciary duty Board members have to their organization. We'll also touch on various laws and regulations, and possible consequences for noncompliance.

*Key differences this year:*

- All new graphics and mobile-friendly design
- Reviewed regulations and terminology by SME / lawyer focused on healthcare compliance law

*Course Length:*

45 minutes
